## *Dedication*

The 1956 Rainier Vista is dedicated to one whose ever-present smile and tireless energy has endeared her to all of us.

Because of your sacrifice of home and family life to become a foster mother to the girls, we dedicate the annual to you, Mrs. Simmons.

WORK

## *The Places We Work*

Some of us correct papers . . .

others monitor . . .

or help run the school store . . .

many work in the factory . . .

in the finishing room . . .

or running saws . . .

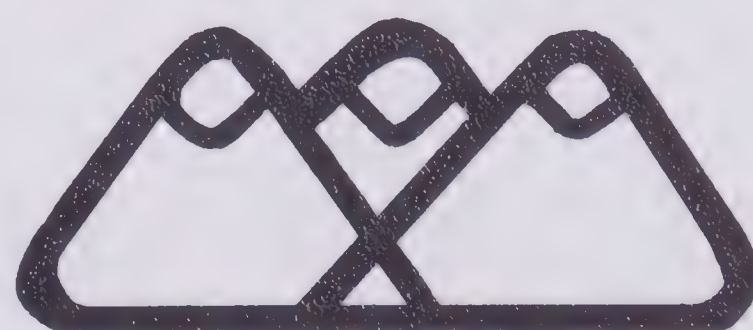

some run the dairy . . .

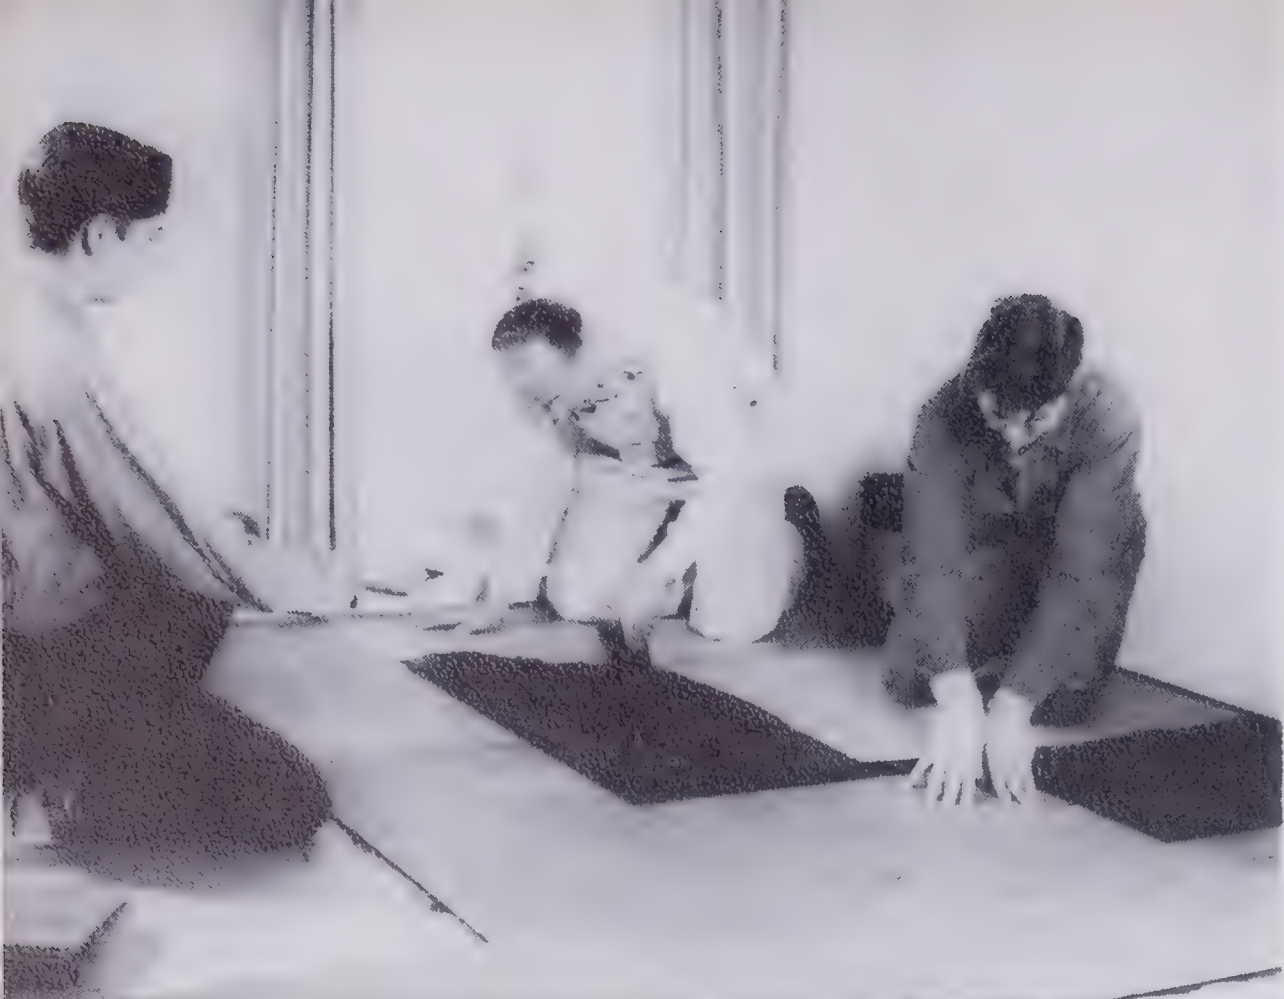

or fire the boilers . . .

or work on the farm . . .

maintenance is a full time job . . .

as is running a Chem. lab . . .

or a laundry.

But we all work and enjoy it, for, as Thomas Carlyle once said, "Labor, wide as the earth, has its summit in heaven."

Dear Students and Faculty:

We in the Federal Old Line Insurance Company Home Office are grateful to have the Auburn Academy such a close neighbor to Federal Way. our "home town."

We know of your school as a builder of Christian citizens because it is so close to us geographically. By reason of our Chief Medical Director and Director of Federal Old Line, Dr. Philip S. Nelson, being vitally interested in your school and our organization, we feel an added common bond.

Congratulations to all of you who have helped in building another successful year for the Auburn Academy, and we of the Federal Family extend best wishes to a neighbor of which we are most proud.

## *Parting Message*

The Rainier Vista for 1956 is finished now and you hold in your hands a record of life at Auburn Academy during the school year 1955-1956.

It has been a great pleasure editing the annual this year and I wish to thank my staff for their untiring effort in helping me to prepare this book.

And now, as this school year ends and we go our separate ways, may the Lord's blessing follow you until we all meet again in heaven.

Sincerely,  
Marshall Rockwell  
Editor
